

# Pop-up Trainer with Scope Holder

**Part #:** SPT-30

**Price:** \$375.00 USD

**Size:** 16" h; 16" w; 5" d

**Weight:** 8 lbs

Similar to the Pop-Up Trainer, this trainer provides a very rigid surface at any height or angle setting. It can be used with any combination of the 5 spacers provided to obtain the desired height or angle. It also includes a multi-position scope holder for single user practice. 10mm opening accommodates scopes. The soft cover allows for numerous trocar placement sites.

## Skill Development:

- » Laparoscopic training
- » Gynecological training
- » Operating a scope

## Features and Benefits:

- » Collapsible for easy storage
- » Affordable and adjustable
- » Personalized trocar placement
